CHECK FRAUD **STOPS** HERE

The Ultimate Solution To Check Fraud.

DETECTS fraudulent checks immediately

PROTECTS Official, Cooperative and Personal Checks

SURVIVES Check Imaging (Check 21)

- ✓ **ENCRYPTS CHECK DATA INTO A BARCODE.**
- ✓ **GUARANTEED PERFORMANCE.**
- ✓ **LOWER OPERATING COST** than Positive Pay and Fraud detection Reporting tools with more accurate fraud detection.

Founded in 1991, ChequeGuard Inc is the leading innovator in cheque fraud solutions for smaller and medium-size businesses and financial institutions. ChequeGuard's FormSuite for the IBM AS/400 series, and ChequeSeal™ and ChequeSuite™ for Windows allow businesses to integrate and rapidly deploy secure, controlled cheque printing and electronic payment solutions (In the USA: Automated Clearing House (ACH)), while concurrently creating a Positive Pay file for the bank as the cheques are printed by the customer.

SOLAR OUTSOURCE

DESIGN AND CONSULTATION

NEED SOLAR. NEED AN EV CHARGER-WE ARE HERE TO HELP

Let us Introduce Ourselves!

Do You want to go solar, but you don't know how to start?

Do you want to enjoy long-term savings on your energy bills?

At Solar Outsource Inc. we understand that the world of solar energy can be daunting for those who want to make the switch but don't know where to start. That's where we come in, offering our expert solar consultation services to guide you every step of the way.

Why Choose Solar Energy?

By harnessing the power of the sun, you can lower your electricity bills, take advantage of government incentives, and increase the value of your property. Transitioning to solar power is a win-win for both your wallet and the planet.

Our Solar Consultation Service

Customized Assessment: We begin with a thorough assessment of your home and energy consumption patterns. This enables us to design a solar energy system that's per-

fectly suited to your needs.

System Design: We create a comprehensive solar energy system design, considering the optimal placement of solar panels and the most suitable equipment for your location.

Financial Guidance & Regulatory Support: We guide you through the necessary permits, incentives, financial aspects of your solar project, and local regulations

Quality Installers: We connect you with our trusted partners, local solar installers who will bring your project to life, making sure the installation is done efficiently and to the highest quality standards.

WE ALSO HELP YOU IF YOU WANT TO INSTALL AN EV CHARGER

Do not hesitate to call us and ask any question

Manufactures the finest high security checks in America.

- 27 years experience
- Secure Ordering Procedures
- Same day processing available

Secure Ordering Procedures

SAFEChecks is the only check manufacturer that established and strictly follows Secure Ordering Procedures, to prevent unauthorized persons from ordering checks on your account.

- On every new order, we confirm that the name, account number, and shipping address on the order form match the information on file with the bank.
- Re-orders with change of shipping address are independently confirmed.
- Regular re-orders are confirmed with the company.
- While no program, policy or procedure is 100% foolproof, our Secure Ordering Procedures help prevent fraud attempts that might otherwise have been successful.

Engineering Solutions

About Our Company

For over 17 years, SG Engineering Solutions (SGES) has worked with several reputable companies as well as government agencies. Companies such as Amgen. Amgen has been considered to be the largest biopharmaceutical company in the world. SG Engineering assisted in the construction of several highly complex projects for Amgen with extensive commissioning and validation scope.

SG Engineering has been involved in several projects supporting government agencies such as City of Los Angeles, Department of Public Works, Bureau of Engineering, Los Angeles World Airports, San Diego International Airport, Los Angeles Police Department and Department of General Services. We have worked directly for Owners as Prime Consultants as well as serving as sub-consultants and joint venture team members to some of the world's largest and most respected organizations.

SG Engineering has been providing professional construction management via an array of services applied to construction projects and programs through the planning, design, construction and post construction phases for the purpose of achieving project objectives including the management of quality, cost, time and scope.

Services

- Program Management
- Project Management
- Construction Management
- Subject Matter Experts
- Commissioning and Validation
- Scheduling
- Cost Estimating
- Document Control
- Constructibility Review
- Design Review
- LEED Certification
